

STOKED AGREEMENT FORM

I understand that the primary purpose of the Stoked retreat is to help AYF students to grow in their faith, both as individuals and as a group. Accordingly, I agree to leave certain conveniences (such as cell phones, video games, iPods, etc.) for the duration of the retreat so that I can better focus my energy on letting God develop me and others as believers in Jesus Christ. I will also do my best to not let romantic inclinations distract me from pursuing God wholeheartedly during the retreat. I will follow the guidelines of the retreat and submit to the designated retreat leadership.
